# Electronic Fund Transfer Authorization in Canada

I authorize CrossWorld in Canada. to charge my account each month the amount shown below (this includes my authorization for CrossWorld to reverse any charges made in error). This authority will remain in effect until I give written notice to cancel or change it. I understand that it takes about three weeks after CrossWorld receives the information before the first electronic gift can be processed and that it takes up to three weeks to process changes once the agreement has been operating.
